Dear Friends,

The 25<sup>th</sup> edition of the annual flagship event of the Institute of Directors, India (IOD) – The International Conference on **Environment Management and Climate Change (ICEM)** will be held from **June 27–28, 2024** in Bengaluru (India).

This will be a major global event which will also provide inputs for UNFCCC's COP29 Baku, Azerbaijan in November. Climate Change is the defining issue of our time. From shifting weather patterns that threaten food production, to rising sea levels that increase the risk of catastrophic flooding, the impact of climate change is global in scope and unprecedented in scale. Without drastic action today, adapting to these impacts in the future will be more difficult and costly.

The Conference will focus on various global, regional, national and coastal zone issues. The roadmap will include detailed steps for all sectors and themes, including climate adaptation, loss and damage, finance, technology and capacity building to promote climate friendly people-centric development. To discuss current Environmental Challenges, IOD is bringing together leading representatives from international organizations, government, business & industries, research & academia official representatives from a number of countries.

IOD looks forward to welcome your participation in its endeavour to further develop a corporate leadership that would not only be environmentally sensitive, but also empathetic towards climate change concerns & climate justice and carve out collective market-oriented solutions for building Sustainable and Environmental Friendly development.

Regards,  
**M. N. Venkatachaliah**
