- Initiatives for Building a sustainability paradigm for inclusive growth
- Future of the Strategic Board

THE PROGRAMME

Organizations look for their long term well-being, protecting from the vagaries and inconsistency of business, for building a bubble-proof long term sustainability. IOD recently organized a very successful, largely attended 4 days London Global Convention on 'Boards to Lead-Effective Corporate Governance and Sustainability' from 28 to 31 October, 2014 in London. To briefly follow up the same, with present governance problems of Corporate India and its new Companies Act 2013, IOD is organizing a few one day workshops in major Metro Towns. The panelists would include our top Corporate Professionals.

IOD ANNUAL MEET

Institute Of Directors (IOD) was established in July 1990, as an independent wholly non-profit apex association of directors to spearhead India's quality revolution and build brand India, by focusing on directors training and development. Its focus is on building tomorrow's boards by realigning their moral compass and making them more ethical, transparent, accountable and equitable. IOD is not simply an apex organization, it is a movement to create a silent revolution through the boardroom for a just, and sustainable world". IOD's Masterclass Training for Directors and Golden Peacock Awards are other flagship initiatives, that aim to improve the competitiveness of individual directors and their companies.

The IOD Annual meet is scheduled at 1845hrs on, 20th December in Hotel Ashok, New Delhi , coinciding with the National Convention, and ending with Dinner at 2000hrs.
