Dear All,

I have pleasure in inviting you to the IOD Conference being held on 28<sup>th</sup> September 2018 at Mumbai. The theme of the Conference is 'Corporate Governance & New Reforms'.

You are well aware that Government of India has undertaken number of reforms in the last four years for the ease of doing business.

Some of these key reforms that will impact Corporate Governance are,

- a) Justice Sri Krishna Committee's first draft on Data Privacy ie Personal Data Protection Bill, 2018. Digitisation is going to play key role in Corporate Governance and in Board Rooms.
- b) Financial Reporting undergoing transformation with adoption of IndAS. Making Indian Financial Reporting Standards contemporary and virtually on par with leading global standards.
- c) IBC- Insolvency & Bankruptcy Code is one of the biggest reforms by Govt to alert the board rooms. IBC (Second Amendment Bill 2018 and Recent Changes need to provide greater insights at Board level. Making the IBC Successful is full of opportunities and challenges at Board level.
- d) Kotak Committee has submitted its report and SEBI has also announced the new amendments. These also have multiple implications on running of the Boards.

We hope to capture above reforms at our Conference on the theme of 'Corporate Governance & New Reforms' through deliberations by authoritative speakers, panelists and participants on these subjects.

Yours sincerely,

**J. S. Ahluwalia**
