## IOD

Institute Of Directors (IOD) was established on 12 July, 1990, as an independent, apex national association of corporate directors, to spearhead India's Quality revolution and build 'Brand India', by focusing on directors' training and development. It's focus is on building tomorrow's boards by realigning their moral compass and making them more ethical, transparent & accountable. IOD is not simply an apex organization, it is a movement to create a silent revolution through the boardroom for a just and sustainable world. IOD's Masterclass Training for Directors, Organisation of Non Executive Independent Directors (ONEID), Board Research & Advisory, and Golden Peacock Awards are other flagship initiatives, which aim to improve the competitiveness of individual directors and their organisations.
