Dear Friends,

I have pleasure in inviting you to the **'2023 London Global Convention'** on **'Corporate Governance & Sustainability'** being organised by the **Institute of Directors, India** on October 17 - 20, 2023 in London. The theme of the Convention is **'Board's Tryst with ESG and Making Corporate Governance Work in the New World Economy'**.

As economies and corporations across the world grapple with changes in the global economic landscape, the aim of this Convention is to ensure and engage in deliberations on the effects of these changes across corporate boardrooms and consider the possible response.

The Convention seeks to help create an effective corporate governance and sustainability framework for boardrooms, as a response to manage these changes, for longevity and success, under the new world order. It will also provide an opportunity to network with global peers and professionals, in these fields.

The Convention will be attended by leaders, policy makers, academicians, jurists, social thinkers, and professionals in business, finance, corporate governance, and sustainability fields from across the world.

The famed 'Golden Peacock Awards' for 'Corporate Governance', 'Sustainability', & 'ESG' (Global & National) and 'Risk Management' will also be presented during the Convention. This year's Convention will also have a **Global Business Meet** and **Luncheon** at the **House of Lords**.

A combination of visionary and innovative leadership at the highest levels of an organisation, are now the true competitive edge, for any organisation.

Look forward to welcome you, at the '2023 London Global Convention'.

**Justice M. N. Venkatachaliah**
