International Women's Day is a celebration of the achievements made by women throughout history and signifies a continued mission for gender equality. First celebrated over a century ago, the day is now embraced globally to collectively champion the successes of the world's great women, both past, present and future.

Taking place on Monday 8th of March 2022, International Women's Day is a celebration of the achievements made by women over the course of COVID-19 times. Today, IOD-FICCI flo appreciates the work that past heroines have completed across social, economic, cultural and political sectors. The day also represents the continued fight for equality, to eliminate discrimination and bias between genders.

### Key areas of discussion:

Equality today for a sustainable tomorrow • Championing Female Empowerment  
Sharing stories of Female Achievements

Conclave will be lined up with a fantastic range of inspirational speakers and celebrating the tremendous efforts by women around the world in shaping a more equal future and recovery from the COVID-19 pandemic.

Don't miss grandeur of Women's day celebration through **IOD's annual event celebrating Women directors'**, the largest gathering of women business community.
