

“PROMOTING ENTREPRENEURSHIP AND SUPPORTING MSMEs: TAMIL NADU TOWARDS ACHIEVING \$1 TRILLION ECONOMY BY 2030” - REGIONAL SUMMIT

Tamil Nadu \$1 trillion economy by 2030:
Building a Robust Entrepreneurial Ecosystem

THEME

IOD Regional Summit is based on Tamil Nadu CM's statement “We want Tamil Nadu to be one of the best states in South Asia. Our government's target is to make Tamil Nadu a USD 1 trillion economy.” The state's current exports stand at USD 26 billion. Is it possible to achieve the goal in just nine years? Industrial climate prevailing in Tamil Nadu makes the state a lucrative destination for investors from all sectors. The goal can be achieved due to proactive measures being taken by the government. The industry has put its weight behind the government in ensuring that the ambitious goal is achieved. MSMEs in India contribute 30% of our GDP and employ 100 million people.

KEY FOCUS AREAS

- Building a Robust Entrepreneurial Ecosystem
- Cluster Development
- The eco-system facilitating self-employment - State Govt's initiative & Support
