### Invitation from Convention Chairman

Dear Friends,

I have pleasure in inviting you to the **'2020 Singapore Global Convention'**, our annual convention on **'Board Leadership & Risk Management'**, being held on 16-18 January, 2020, at Hotel InterContinental, Bugis Jn, 80 Middle Road, Singapore. The theme of the convention is **'The Board's Risk Resilient Strategies'**.

We have witnessed an immense rise in two related themes - 'Corporate Ethics' & 'Risk Management', across Boardrooms, since the '2008 Financial Crisis'. Their heightened role has been instrumental in establishing need for strategic resilience of an organisation for its long-term sustainable growth. Sustainable growth can be ensured only through good governance and adequate risk management.

Viewing strategy through a risk lens helps organisations make a distinction and choice between risks that enable long-term value creation. Optimising value on a risk-weighted basis enables organisations to establish an Enterprise-wide Risk Management (ERM) program, one embedded into its core strategy.

Securing the future of an organisation and its sustained growth also requires the Board to address myriad ethical concerns and dilemmas. Ethical leadership in the Boardroom is imperative to establish the ethical compass of an organisation.

This Convention seeks to bring together business and industry leaders to discuss, deliberate and share best strategies and practices for 'Risk Management' and Ethical concerns in the Boardroom, and to build an Actionable Agenda for the long-term sustenance and growth of an organisation.

The famed 'Golden Peacock Awards' (both Global & National) for 'Corporate Ethics', 'Risk Management' and 'Innovation Management', will also be presented during the convention.

IOD, India looks forward to welcoming you, at the '2020 Singapore Global Convention'.

Best Wishes,

Atul Temurnikar
